

## SCHOOL CASE CERTIFIED TO HARRISBURG

The Adams County court Saturday forwarded the petition of the residents of the western part of Mt. Pleasant Twp. that their area be made into the White Run Independent School District to the state superintendent of public instruction for his verdict on the merit of the petition "from an educational standpoint."

In its order the court noted that Section 242 of the Public School Code of 1949 states that in all cases where establishment of an independent school district would create a fourth-class district the matter must be referred to the state superintendent for his opinion. The law also states that the independent district can be granted only if the state superintendent of school approves. In the case of Mt. Pleasant and White Run Independent, both districts would be fourth-class districts.

### Approve Incorporation

The court had previously set July 11 as the time for a hearing on the matter, but with the forwarding of the petition to Harrisburg for the state superintendent's approval, the July 11 hearing was cancelled. A new date for hearing will be set "if necessary" after receiving certification from the superintendent of his approval or disapproval.

The court Saturday approved the incorporation of the Adams County Farmers' Association as a non-profit corporation; named Attorney Donald M. Swope as the master in the action for annulment of marriage brought by Betty Elizabeth (Louey) Allen against Sturgis Warren Allen, Lebanon, and approved a motion to direct service by advertising in the action to quiet title brought by Glenn R. and Margaret M. Shields, Lincoln Highway West, against Theodore Bender and wife, and others, whose whereabouts are unknown, in connection with a 12-acre property in Cumberland owned by Mr. and Mrs. Shields. The action is required because an early deed lists various other deeds which are not on record at the court house here.

## COURT FRAMES QUESTIONS FOR MERGER VOTES

The Adams County court Saturday framed the questions that will be placed on the ballot at the November election asking voters in the Gettysburg and Lower Adams joint districts if they prefer to have their joint districts changed to mergers.

A similar petition had been prepared for the Littlestown Jointure but that system decided last week to refrain from asking for a merger vote at this time.

The order of court framing the question of a merger in the Gettysburg Jointure states the wording to be placed on the ballot as follows:

### Question Gives Details

"Do you favor the merger of the School District in which you reside or the hereafter defined portion of such District with such of the following School Districts or portions of such Districts in which the majority of electors of such Districts voting thereon shall vote in favor of such merger: School District of the Borough of Gettysburg; School District of the Township of Cumberland; School District of the Township of Franklin; School District of the Township of Freedom; School District of the Township of Highland; School District of the Township of Mount Joy excluding the eastern portion thereof which excluded area is bounded and described as follows: Beginning at a point at the intersection of the Township Line between Mt. ### \$400 Accident On Peach Orchard Rd.

Momentary distraction on the part of two drivers led to an auto accident Sunday afternoon at the intersection of the Peach Orchard Rd. and W. Confederate Ave. which caused \$400 damage.

State police said Mollie Ann Peters, 22, Winchester, Va., was driving west on the Peach Orchard Rd. and, uncertain of the location of the observation tower where she wished to go stopped her car in the center of the road at its intersection with W. Confederate Ave. to look for the tower before turning.

At the same time, police said, Charles Donald Easterday, 26, Myersville, Md., going east on the Water Works Rd., entered the intersection. He glanced momentarily to the right and when he looked back to the highway saw the Peters car partly blocking his lane. He braked, but the left front of his car struck the left front of the other vehicle. No one was injured, police said.

## Was State Senator

Elliott first got into politics four years ago when he was elected to the State Senate. He represented President Eisenhower's voting district of Adams-Franklin counties.

The Eisenhower farm is in Gettysburg, Adams County.

In the state primary last April 26, Elliott won by a 2-to-1 margin over Democratic Robert M. Meyers, of Lewistown, in a special election to fill the unexpired term of Rep. Richard M. Simpson, Huntingdon Republican who died in office.

Both men were to oppose each other for a full term from the eight-county 18th District in the November election.

Gov. Lawrence has 10 days to set a date for a special election to fill the vacancy created by Elliott's death.

Before the 1958 gubernatorial campaign, Elliott's name often popped up in speculation as the possible choice for his party's standard bearer role. But it went to Arthur T. McGonigle, of Reading, who lost to Lawrence.

Elliott, who has three children, took a leave of absence as vice president of Wilson Women's College here when he went to Congress.

Elliott's father was George Elliott, once Philadelphia's public safety director and before that an aide to Gen. Smedley Butler, Philadelphia's famous crusading public safety director during prohibition days.

### Native Of Philadelphia

Elliott is survived also by his parents, Mr. and Mrs. George W. Elliott of Philadelphia. His father once served as Philadelphia's public safety director and before that aide to Gen. Smedley Butler, Philadelphia's famed crusading public safety director during Prohibition days.

Elliott also leaves a sister, Mrs. Frederick Denman of Albany, Calif.

The elder Elliott was present when his son was sworn in as a congressman.

Elliott, a native of Philadelphia, was public relations director of the Franklin Institute in that city before he took over his Wilson College post.

During his brief tenure in Congress, he earned a reputation as a hard worker. He spent long hours in his office catching up on a backlog of correspondence which had been building since Simpson's death last Jan. 7.

Rep. Douglas H. Elliott (R-Pa.), 39, committed suicide Sunday by carbon monoxide poisoning less than two months after being sworn in office to fill the unexpired term of the late Rep. Richard Simpson.

A passerby found his body near the exhaust pipe of his car a few yards from his summer cabin bordering a lake near this south central Pennsylvania community. A deer skin was draped over his head and the end of the exhaust pipe.

State police said they found a single-edge razor blade and two 30-30 rifle bullets on Elliott's body. He had no money in his wallet, officers said.

### In Good Spirits

Coroner John P. Mages of Franklin County ruled the congressman died of "carbon monoxide poisoning self-administered." Neither he nor friends and associates could give any insight as to why he took his own life.

One friend, C. R. Nicklas, editor of the Chambersburg Public Opinion, said Elliott appeared in good spirits Saturday night when the two talked at a wedding reception in Chambersburg.

Another friend, Atty. George Eppinger of Chambersburg, said Elliott's wife told him the congressman went to the cabin alone early in the morning as was his custom from time to time.

### Associates Are Stunned

Elliott's associates in Congress were stunned.

In Washington Rep. James Quigley (D-Pa.) said: "The news leaves me without words. I talked with Congressman Elliott last Friday on the floor of the House, and he seemed in perfect health in every way."

Rep. James E. Van Zandt (R-Pa.) said "everybody is stunned." He added that Elliott was "one of the bright young men of the Republican Party in Pennsylvania."

Elliott was considered by Van Zandt and others as a possible gubernatorial candidate in 1962.

Elliott was sworn in as a congressman May 7, and since then had never missed a house vote.

He said recently his first month in Congress gave him "a liberal education in parliamentary procedure."

## TWO ORDAINED TO MINISTRY IN SPRING GROVE

D. Timothy Robinson, son of the Rev. Dr. and Mrs. Ralph C. Robinson, of Harrisburg, former residents of Gettysburg, and Eichi Matsushita, son of Mr. and Mrs. James S. Matsushita, of Tokyo, were ordained into the Lutheran ministry Sunday morning at 10:30 o'clock in St. Paul's Lutheran Church, Spring Grove.

The Rev. Robinson graduated from the local seminary and after serving two and half years in the Navy he taught the Fourth grade in the local schools for three years. Early this month he was called to the pastorate of St. John's Church, Espy.

Dr. Ralph Heim, professor of Christian education at the seminary, delivered the sermon and the Rev. Dr. Dwight F. Putman, president of the Central Pennsylvania Synod, officiated at the ordination rites.

Matsushita's father, the Rev. Dr. Robinson, and Mr. Haehnen were classmates at Gettysburg College. They graduated in 1923. At that time the young man's father expressed the hope that his oldest son would attend Gettysburg College. That hope was fulfilled.

A reception followed the ordination.

In the photo below are shown the faculty and students meeting at Gettysburg College for the 20th annual summer orientation service program conference. The students will be assigned to welfare agencies throughout the United States at the conclusion of the conference. In the front row, left to right, are Dr. Mildred L. Fifty-eight leaders and 82 boys served as camp personnel in addition to those units encamped.

Two hundred fifty-one displays were placed by the Scouts ranging from a complete garden placed by the Gardners post to a daily newspaper mimeographed by Post 78.

Biggest excitement in the camp came Friday night when a York radio station spread a report following a rain that the camp was flooded and the boys should be evacuated. Several hundred parents drove to the site and many succeeded in miring their cars in a field that had been used as a parking lot.

Why Mercury is the better low-price car!

**MORE VALUE.** Just look at these Mercury advantages over other low-price cars:

You ride smoother because Mercury has up to 8 inches more wheelbase . . . and is up to 494 pounds heavier. You're more comfortable because of Mercury's extra shoulder room, leg room, and foot room. You feel safer because Mercury's brakes are bigger (up to 26%), and visibility is better (up to 21% more).

Mercury has at least two dozen extra values. Why not enjoy them all, and save a little money, too?

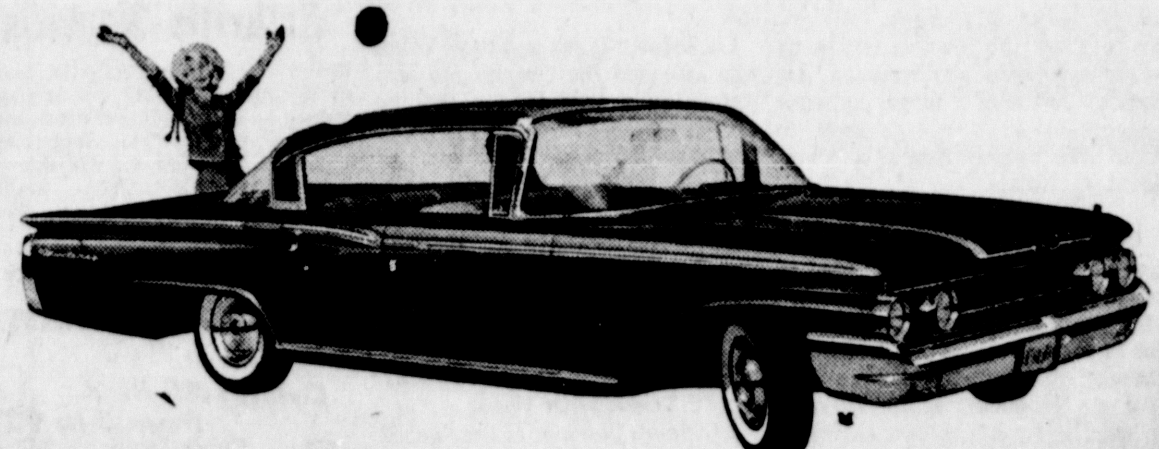

**PRICES START \$63 TO \$66\* BELOW EVEN THE LOWEST-PRICED V-8 POWERED PLYMOUTH FURY OR CHEVROLET IMPALA.**

And we're not talking about a 'stripped' Mercury. This price comparison is based on a deluxe-appointed Monterey with luxurious nylon interior and deep, soft wall-to-wall carpeting.

This amazing price story is the result of Mercury's dramatic 1960 price reductions (as much as \$174 lower than last year, including extras that are now standard equipment).

Every Mercury is lower priced than last year. All Monterey's are now low-price cars. They are priced below, or within a few dollars of, the other deluxe V-8 series in the low-price field. Come in. See for yourself.

\*Based on comparison of manufacturers' suggested 1960 retail base prices for lowest-priced V-8 models

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

ONE HUNDRED YEARS AGO

Hallstorm: A hailstorm passed  
over a large section of our coun-  
ty on Monday evening. Fortunate-  
ly there was but little wind, so  
that done was but trifling. The  
storm was very severe in Frank-  
lin county, destroying whole fields  
of grain and grass. The heaviest  
damage was sustained by farmers  
living in Southampton town-  
ship. In Shippensburg there  
was a frightful destruction of glass  
in all the windows that were ex-  
posed to the storm. Hailstones  
were gathered up so large that  
nine of them weighed seventeen  
ounces.

## Extensive Sale Of Timber Land:

The present proprietors of the  
property known as the "Carlisle  
Iron Works Estate" sold a por-  
tion of the timber land at pub-  
lic sale on the 31st of May and  
1st of June. Five of the tracts  
were situated in Adams county,  
and thirteen in Cumberland coun-  
ty. The sales amounted to \$17,158;  
one tract of 150 acres was sold to  
Jacob Mumma of Mechanicsburg  
at \$31 an acre.

## The John Brown Affair: The

Harper's Ferry Committee have  
suspended operations. The moun-  
tain has been in labor and brought  
forth a mouse. It is supposed that  
the majority will present a report,  
though no notice has yet been given  
of any such a committee to  
die and make no sign. They must  
leave some memorial to mark the  
event, and will doubtless endeavor  
to make the most out of every  
scanty materials. The idea upon  
which the committee started out,  
of a supposed complicity of influ-  
ential northern men with the John  
Brown raid, is now admitted to  
be erroneous. There is an entire  
absence of proof to incriminate  
anybody but the few crazy zealots  
and demented fanatics who en-  
gaged in the criminal enterprise  
most of whom have gone to their  
long and dread account, un-  
anointed.

## SEVENTY-FIVE YEARS AGO

Post Office Salaries: The Post  
office Department has been re-  
adjusting the salaries of the Pen-  
sylvania presidential post-offices  
to take effect July 1. The Gettys-  
burg office remains the same,  
\$1,600. Hanover is made \$1,500,  
Carlisle \$2,100, York \$2,600—a  
reduction of \$100 in each. Harris-  
burg is made \$3,200, an advance  
of \$100.

## Baltimore Excursion: On Thurs-

day three was a special excu-  
sion from Baltimore to Gettys-  
burg, the press of that city be-  
ing fully represented. The train  
moved direct to Round Top Park,  
and after visiting points of inter-  
est in that area, a number of the  
excursionists returned to Gettys-  
burg in carriages by way of the  
Battlefield avenue, dined at the  
Eagle Hotel, and subsequently  
drove to the National Cemetery,  
Culp's Hill and the Springs Hotel.

## Commencement Week: The

closing exercises of Pennsylvania  
College and the Theological Semi-  
nary place this week. As we  
go to press the town is filling up  
with strangers and visitors. On  
Sunday morning a large audience  
assembled in Christ church to  
hear the baccalaureate of Pres-  
ident McKnight.

## Liberal Bequests: There is a

growing disposition on the part  
of persons who have accumulated  
large means to do liberal things  
for educational institutions, and  
thereby make their money effec-  
tive in producing grand results  
in ever widening influences, while  
at the same time perpetuating  
their memories among the bene-  
factors of mankind. We see it  
stated that the will of the late  
Henry Singmaster, of Strouds-  
burg, Pa., after the death of  
his wife, divides his estate of be-  
tween \$160,000 and \$200,000 into  
two parts, one of which is to go  
to the Lutheran Theological Semi-  
nary of Philadelphia, and the  
other to the Lutheran Theologi-  
cal Seminary at Gettysburg.

## Today's Talk

JOHN F. KIERAN: HIS BIRDS,  
ANIMALS, AND NEW YORK  
CITYI just can't pass up a good book,  
the result of its writer's long study  
and research.For weeks I have been reading  
such a one—by John Kieran—en-  
titled "John Kieran's Natural  
History of New York City."You must not try to read this  
book in one evening. If you will  
miss the prolonged enjoyment of  
reading one of the most fascinat-  
ing books of the year, one upon  
which its author spent some fifteen  
years just in its writing. After  
reading it you will be looking for  
many a flower, bird, or small  
animal that long ago chose New  
York City as its home, as well as  
the author's. Perhaps your own  
back yard will now reveal wonders  
you never dreamed were there!You can read John Kieran's  
book and learn. I once asked the  
author (who was my neighbor  
for several years) regarding a  
certain flower about which I was  
curious. He said he could not in-  
form me unless I could tell him  
its Latin name! I feel sure that he  
and Thoreau could name them  
all—whether man, bird, beast or  
flower!John Francis Kieran's book is  
not a technical one, however. It's  
as fresh as springtime. He will  
cause you to join him in his roving  
adventures. The publishers  
term the Kieran classic "a book  
for sidewalk naturalists every-  
where."Read "John Kieran's Natural  
History of New York City." The  
book will then become like a  
lifelong friend, as your associate,  
among the wonders of this un-  
believable and excitable city.Tomorrow Mr. Adams will talk  
on the subject: "Prejudice"Protected, 1960, by The George

OUT OF DOORS

The kids are out of doors once  
more;The winter legions that they wore,  
The heavy caps that covered ears  
Are put away, and no more tears  
Go down their cheeks as they go  
Until they're bundled up just so.  
No more she wonders when they're  
gone  
If they have put their snow boots  
on;  
No longer are they hourly told  
To guard themselves against a  
cold;  
Barbed now they romp and  
run,  
Warmed only by the kindly sun.Oh, you may brag of gardens fine,  
But let the children race in mine;  
And let the roses, white and red,  
Make gay the ground whereon  
they tread;  
And who for bloom perfection  
seeks,  
Should mark the color on their  
cheeks.No music that the robin spouts  
Is equal to their merry shouts;  
There is no foliage to compare  
With youngster's sun-kissed,  
tousled hair.  
Spring's greatest joy beyond a  
doubt  
Is when it brings the children out.

## FATALLY HURT

## IN RACE CRASH

LANGHORNE Pa. (AP) —

Rugged, cigar-smoking Jimmy

Bryan, veteran auto racer who

won 19 championships including

the Indianapolis 500 in 1958 was

killed Sunday in the 100-mile na-  
tional championship big car race

at Langhorne Speedway.

The 33-year-old Phoenix, Ariz.,

native who began racing in 1946

was attempting to pass Don Bran-  
son, of Champaign, Ill., for the  
lead on the first lap when his  
car suddenly slipped sideways  
and rolled over several times.  
There was no fire.Bryan was pulled quickly from  
his car and rushed to the Lower  
Bucks County Hospital where he  
was dead on arrival. Attendants  
said he died of chest and internal  
injuries.

## Race Re-starts

The 17-car race re-started after

the fatal accident. It was won by

Jim Hurtubise of Lennox, Calif.,  
who set a national record of  
100.786 mph over the one-mile dirt  
track. His time was 59:31.92.Hurtubise broke the mark of  
100.174 mph set by Johnny Thom-  
son of Boyertown, Pa., in 1957.Eddie Sachs, of Center Valley,  
Pa., who viewed the tragedy from  
his position eight cars behind,  
blamed the accident on Bryan's  
"overconfidence in himself and  
his eagerness to return to the pro-  
fession that he was so wonderful  
in."

"Jimmy Bryan tried to drive a

newly designed car that he  
wasn't familiar with," Sachs said.  
"He tried to drive it into a front  
running position immediately."

## "Fatal Mistake"

"I was about 40 feet behind and

could see everything. They had  
just dropped the green flag and  
the cars went into the turn. Bry-  
an took the outside and the dust  
and dirt got heavy.""And after 2 1/2 years of inac-  
tivity, he didn't like what was  
happening, so he tried to change  
his strategy and cut to the in-  
side. That was his fatal mistake.""He tried to drive from the out-  
side to the inside too quickly and  
that put the car out of control. He  
made such a sharp turn that the  
car flipped to the inside of the  
track.""I was heartsick. He was loved  
and revered by every man in the  
racing business."

## Four Other Racers Killed

Bryan was one of four auto rac-  
ing drivers killed over the week-  
end. The others were Chris Brit-  
tow and Alan Stacey, two British  
drivers killed in the Belgian  
grand prix, and Al Herman of Al-  
lentown, Pa., a midget auto driv-  
er, killed at the West Haven  
(Conn.) Speedway.Bryan had come out of virtual  
retirement after winning the 500  
to enter the Langhorne event. He  
won the national big car driv-  
ing championship in 1954, 1956  
and 1957. He had raced at Indian-  
apolis nine times.Surviving are his widow, Luella,  
and two small daughters.LIST WINNERS

## Roberts Whiffs 11 Giants, Allows 5 Hits In Eleven Innings To Win 2-1 Game

By JOE REICHLER  
Associated Press Sports Writer

Laid down the shovels. Hold back those flowers. There's still a lot of life left in the right arm of Robin Roberts.

The last of the Philadelphia Whiz Kids of 1950 showed his would-be pallbearers something Sunday, handcutting the San Francisco Giants with five hits in 11 innings as he pitched the last-place Phillies to a 2-1 victory.

Robbie, who is supposed to have nothing left but a prayer on his erstwhile fast ball, must have been pitching out of memory as he fanned 11 Giants and missed a shutout only because of Willie Mays seventh-inning home run. Eight of his strikeouts came in the last four innings as he won his third of the season and 224th of his career.

**Dodgers Beat Pirates**  
The defeat, first under new Giant manager Tom Sheehan, prevented San Francisco from narrowing the four-game gap with league-leading Pittsburgh. The Pirates had their five-game winning streak snapped by Los Angeles, 6-6.

Cincinnati took two from Chicago 4-3 and 7-5 and St. Louis split with Milwaukee. The Cards won the opener 4-3 and the Reds copped the nightcap 3-2.

Tony Taylor drove in Philadelphia's winning run. He singled home Ted Lepcio who had walked and advanced to third on a single by Lee Walls. Jack Sanford, who had fanned three batters with the bases full in the 10th after relieving Billy O'Dell, was the loser.

**Daniels Is Shelled**  
The Dodgers shelled Bennie Daniels off the mound with a six-run assault in the third, featured by Don Demeter's base-clearing triple. The big inning offset a grand slam homer by Pittsburgh's Dick Stanton and gave relief pitcher Ed Roebuck his fourth victory in five decisions.

Home runs paced the Reds to their double triumph. Jerry Lynch's two-run blow in the seventh won the opener for Jim O'Toole and Vada Pinson's second circuit blows helped Cal McLish to his third triumph in the nightcap. Ernie Banks' 18th and Frank Thomas' 14th four-baggers for the Cubs were wasted.

A double by pinch-hitter Stan Musial helped the Cards overcome a 2-1 deficit in the first game. St. Louis snapped a 2-2 tie in the eighth, scoring twice against loser Warren Spahn. Curt Flood and rookie John Glenn drove in the last two tallies to offset a ninth-inning home run by Joe Adcock. The Milwaukee first baseman homered again in the second game, helping Carl Wiley gain his fourth triumph.

## Giants Swing East; Sheehan In Charge

SAN FRANCISCO (AP)—The San Francisco Giants leave today on a three-week swing around the National League which should do much to determine how long easy-going Tom Sheehan stays on as manager.

The robust 66-year-old Irishman got the job Saturday when Giant owner Horace Stoneham abruptly fired Bill Rigney.

Stoneham said Sheehan, his chief scout, could keep the job as long as the club responds.

They responded on hiring day, but lost Sunday in 11 innings 2-1 to Philadelphia, their first loss in nine games this year with the last place Phils. They remain four games back of league leading Pittsburgh.

## DOUBLE WIN KEEPS YANKS OUT IN FRONT

By JOE REICHLER  
Associated Press Sports Writer

Nobody is predicting a New York pennant this early in the race but even the most rabid anti-Yankee rosters must admit that Casey Stengel is doing a "tre-mendous" job of managing this year, to use the Ol' Perfessor's favorite word.

While younger and more agile field leaders are getting the axe, the 70-year-old reformed dentist is perhaps doing his best job of masterminding in his 13 years at the Yankee helm. And don't forget he's won nine New York flags.

Today he has his team on top of the heap, three percentage points above Baltimore, after leading the Yankees to a pair of 7-5 and 5-3 victories over the Chicago White Sox Sunday. The twin triumphs gave the Yankees a run of seven straight over the defending champions and 11 victories in 12 games since Stengel left a sick bed to resume charge.

The Yankees needed those two victories to stay in front because Baltimore got shutout pitching from Hoyt Wilhelm and Milt Pappas to defeat Detroit twice, 2-0 and 1-0. Boston's last-place Red Sox stunned Cleveland with a 7-1 and 3-2 sweep of their double-header and Washington made it three straight over Kansas City, 6-5.

Jim Coates, whose mere presence on the mound seems to inspire the Yankee hitters, turned in his eighth victory without a defeat as his mates shelled Buck Shaw with four runs in the fifth and bombarded reliever Dick Donovan with three more in the sixth of the opener. The lean right-hander has a two-year winning streak of 12 games.

Johnny James, a relief pitcher, was credited with the second victory. Mickey Mantle's sixth-inning triple drove in the tying run and Roger Maris' single scored the Yankee center fielder with what proved to be the deciding tally before 48,139, largest Comiskey Stadium crowd since July 14, 1957. Minnie Minoso's two homers went to waste.

Wilhelm and Pappas handcuffed the Tigers to five singles. Hoyt allowed only two in the opener to win his fourth game and Pappas gave up three to notch his fifth. Homers by rookies Jim Gentile and Ronnie Hansen spelled defeat for Jim Bunning. Brooks Robinson's sacrifice fly following singles by Walt Dropo and Gus Triandos in the ninth, ruined Don Mossi in the nightcap.

Ted Williams boomed his ninth homer of the season and 501st of his career, with two on, to provide the big blow in Boston's first game triumph over Cleveland, Bill Monbouquette, with a four-hitter gained his sixth victory. Gary Geiger's two-run triple and Don Buddin's homer provided Tom Brewer with his fifth victory in the nightcap.

Rookie outfielder Dan Doback collected a pair of singles, drove in two runs and scored another to lead Washington to victory over Kansas City. Don Lee, with relief help from Chuck Stobbs and Pete Ramos, won his third in four decisions.

## Eastern League

By THE ASSOCIATED PRESS  
Springfield's brilliant Corky Johnson has put the Giants back on the beam in the Eastern League by pocketing his 10th straight victory this year without a loss.

Johnson, a bit shaky at times due to wildness, tossed a seven-hitter Sunday to beat Reading 7-4 after the Indians had taken the first two games of the series and knocked the Giants out of first place.

By virtue of the victory the Giants picked up a half game on Williamsport, which split a double-header with Binghamton, and now trail the league-leading Grays by only four percentage points.

Binghamton scored all of its runs in the first inning to beat Williamsport 4-3 in the opener but the Grays came back to take the nightcap 3-2.

In the only other game Craig Sorenson belted a grand slam home to hoist Lancaster to an 8-4 victory over Allentown.

## Pick NCAA Champ In Baseball Tonight

OMAHA (AP)—Minnesota and Southern California meet tonight for the NCAA Baseball Championship.

The college world series, plagued by rain-outs since the opening game a week ago last Friday, went into another day as Southern Cal handed Minnesota its first tourney defeat Sunday night 4-3 in 11 innings.

## CHAMPION IS FAVORED OVER EX-CHAMPION

By MURRAY ROSE

Associated Press Sports Writer  
NEW YORK (AP)—Having proven there was more might than myth to his "thunder and lightning" right, heavyweight champion Ingemar Johansson is favored to beat Floyd Patterson again in their return 15-round title fight at the Polo Grounds tonight.

A year ago, the handsome, dimpled Swede was a 5-1 underdog, scoffed at for his unique, careful training methods, and for his absolute faith in his big right-hand wallop.

This time Patterson, 25, the ex-champion, is the question mark. Can he wipe out the memory of his crushing, seven-knockdown, third-round knockout of a year ago? Will he be able to get in close for his flashing combinations without being stabbed by a crushing right? Can he take a punch and keep going?

**Champion Is Confident**  
The betting odds are against him. Johansson, a supremely confident champion, has been made the 7½-5 favorite. The odds may go even higher before they step into the ring at 9:30 p.m., EST.

Investigations, legal action, and promotional squabbles took the play away from the fighters for most of the time since their first fight last June 26. But in recent weeks the fight has stirred up tremendous, world-wide interest.

The new promotional firm of Feature Sports, Inc., anticipates a crowd of 35,000 and gross gate of \$800,000 on prices ranging from \$5 general admissions to the \$100 ringside seats. Estimates of the advance sale range from \$550,000 to \$825,000.

**No Home TV**  
There will be no home television but there will be a coast-to-coast radio broadcast—ABC.

The fight will be shown on closed circuit television to 230 locations in 160 cities. The New York area will be blacked out.

The weather forecast, unlike last year, is highly favorable. The prediction is for generally fair and mild. In the event of a bad break in the weather forcing a postponement, the fight will be held Tuesday night.

With everything counted in, the fighters could share in the neighborhood of \$350,000 to \$450,000 each. Each gets 25 per cent of the gate receipts at the ball park. And there's the lucrative return from the closed circuit TV, radio and movies. It probably will take a year to figure it all out exactly.

If Patterson follows expectations and moves right in, the action should be explosive. The writer, who picked Patterson in one the last time, leans toward Johansson within seven rounds this time.

## Fairfield Lions League

A pair of runs on three errors in the last of the seventh inning gave Cashtown's unbeaten team a 6-5 victory over Orrtanna at Cashtown Saturday afternoon. It was the fourth straight victory for Cashtown.

R. Bream and K. Ketterman each smacked doubles for the winners while McDannell blasted a double and two singles for Orrtanna.

Mummasburg won its first game after three losses by topping Fairfield 7-4 on the latter's field. Each team collected but two hits. The loss was the first for Fairfield.

C. Mayer and D. Breighner pitched for Mummasburg while D. Bowling was the catcher. Fairfield's pitchers were J. Weikert, T. Reinoldar and R. Adelsberger. The catcher was J. Lott.

## Backers Ask For Refitting Of Constellation As Civil War Centennial 'Flagship'

WASHINGTON, D. C. — The "Constellation," America's oldest fighting ship still afloat, in a few months may take to the waters again, this time as the "flagship" of the Civil War Centennial.

Filled with relics and other exhibits from the war of a century ago, she will tour the ports of the United States, both coastal and inland, so that thousands may see this veteran ship that fought the Barbary pirates and has been in every war the nation has engaged in since she was launched at Baltimore in 1797.

A \$400,000 restoration project has been under way on her for several months at a dock in Baltimore. More than \$200,000 still must be raised to complete the work, much of it confined to replacing the rotting wood in her sides.

**Need Restoration Money**  
Since the Navy transferred her to the Constellation Commission of the Star-Spangled Banner Flag House Association of Baltimore, a drive has been in progress to restore the vessel. The association recently offered her for use as a Centennial "flagship," provided the additional money needed to put her in condition can be raised.

Karl S. Betts, executive director of the National Civil War Centennial Commission, has announced that the agency's women's committee, headed by Miss Chloe Gifford, former president of the General Federation of Women's Clubs, will sponsor the appeal to keep the 163-year-old vessel afloat. The work of restoration so far has been carried on by a local committee of Baltimoreans, headed by Robert Michel, largely through the sale of souvenir medals made from parts of the ship. In a broadened appeal, this plus other methods, including an appeal to civic, patriotic and historical groups, will be employed.

The women's committee also is charged with the responsibility of organizing a commemorative program during the centennial years that will bring proper recognition to the outstanding women of the North and South who played an important role during the Civil War.

"Tremendous Obligation"  
"I think that this magnificent

project to restore our only existing Civil War vessel is just as important to my committee as is the selection and development programs to recognize the contribution of the women of America to the armies of the Union and Confederacy," Miss Gifford said. "The 'Constellation' restoration is to my mind a tremendous obligation and I welcome the opportunity to aid it by bringing to its support the traditional enthusiasm and drive which have always distinguished the crusades directed by our American womanhood. We shall make this campaign a success."

Admiral E. M. Eller, chief of the Bureau of Naval History, has indicated the Navy Department's interest in arranging for the trip of the "Constellation" to the ports of the nation.

"The naval story of the Civil War has never been told in understandable terms," he said, "and I confidently believe that the planned exhibits aboard this veteran, launched when the United States was in her infancy, will serve to bring out more clearly during the centennial years the great influence of the sea on our destiny."

**Expect Navy Aid**  
As a contribution toward the centennial program, it is hoped that the Navy Department will give major assistance in the towing, servicing and docking of the vessel during its voyage along the coast and principal rivers. Her draft is a little under 19 feet, indicating it will be possible to take her to every major port.

If completed on schedule, the ship will move out from the dock at Baltimore and begin her voyage on January 8, the date set for the formal beginning of the centennial observance throughout the nation. At that time a White House proclamation will call on every American to participate, the service academies will stage special programs to call attention to the anniversary of the Civil War, and at Charleston, S. C., a special three-day ceremony will be held to commemorate the occasion of the first shots fired in the war.

Much attention will be given to the exhibits placed in the ship. War weapons, uniforms,

MRS. RALPH LONG

EMMITSBURG — The Emmitsburg High School Alumni Association held its annual banquet and dance recently in the high school with the classes of 1910 and 1935 as honored guests. Guest speaker was Chief Warrant Officer Rudy E. Meyers of the Letterkenny Ordnance Depot, Chambersburg. Music was furnished by Jay Chamberlain's Orchestra of Shippensburg, Pa.

maps, medical instruments, camp tools, dioramas and other items reminiscent of the war period will be included. It will be their purpose to give each visitor who strolls the deck of the vessel a vision of the type of war fought a century ago and the hardships of the 340-man crew that was her usual complement.

**Was Good Ship**

A practical fighting ship with the nickname of "Yankee Race Horse," the "Constellation" had a speed of 14 knots. She was shaped of live oak, cypress, cedar and pine gathered from many parts of the United States. Her figurehead was carved by William Rush, a distinguished Philadelphia wood-carver, and into her construction went the most modern shipbuilding techniques of the day.

Authorized originally to check the invasions of the Barbary pirates, the vessel within two years was battling and capturing the big French ship "Insurgente," and her name was on the lips of every American as a symbol of efficiency and valor. She took part in the blockade of Tripoli in record during the War of 1812. In 1802, and left behind her a fine the Civil War she saw service mainly in the Mediterranean, where she was sent on the trial of Raphael Semmes and other Confederate privateers.

Recommissioned in 1940, she soon was assigned as the flagship of the commander-in-chief of the United States Atlantic Fleet, releasing a more modern vessel for sea duty. In this capacity she served until January 15, 1945, and then was placed in reduced commission. Her transfer to the Baltimore commission for restoration as an historic ship came some time later.

## 3 CANDIDATES TOUR DAKOTAS FOR FARM VOTE

By THE ASSOCIATED PRESS

The farmer, his problems, and his vote continued to hold the attention today of the men who want to be president. In a busy weekend, two Democrats and one Republican toured the farmlands of North and South Dakota. The Republican, Vice President Richard M. Nixon, stayed on today and promised to unveil his farm program. A third Democratic candidate, Sen. Lyndon B. Johnson of Texas, flew to the farm states of Iowa and Nebraska Sunday, seeking support at the Democratic National Convention. The Democratic candidates in the Dakotas were Sens. John F. Kennedy of Massachusetts and Stuart Symington of Missouri. Nixon for Davis. They urged North Dakotans to vote for Democratic Rep. Quentin Burdick in the special Senate election June 28. Nixon campaigned for Republican Gov. John E. Davis. All three presidential candidates, however, did not miss an opportunity to outline their own

views on national issues. Defense and agriculture were the big topics. In Sioux Falls, S.D., Kennedy called for a 2½-billion-dollar increase in defense spending. Satisfied With Defense. "The only real question," he told the South Dakota American Legion, "is—which chance, which gamble, do we take—our money or our survival?" Nixon, addressing the same group later, said he was satisfied with the defense picture. "If we have a surprise attack," he said, "we have enough strength to knock them out." In a round of informal speeches, Symington continually said that there was a farm recession under the Eisenhower administration. Kennedy urged retaining "the concept of parity as the goal and basis for pricing policies." Nixon said he would detail his farm program at a speech in Minot, N.D., tonight. Johnson, meeting with Democrats in Des Moines and Omaha, stressed that the presidency needed a man of experience. "I believe the world needs men who have a little gray in their hair," he said in Des Moines. Johnson, 51, has the gray. Kennedy, 43 and the front runner, does not.
